Re: Benjamin, et al. v. Dep't of Public Welfare, et al.
Civ. Action No. 1:08-cv-1181 (JEJ)

Dear Judge Jones:

Pursuant to the Court's Order of June 3, 2013, Plaintiffs' counsel was to report on progress in negotiating a settlement of the above-captioned matter with all parties by July 15, 2013. Unfortunately, due to circumstances beyond all parties' control, the parties have been unable to meet to further negotiate a settlement. However, we have settlement negotiations scheduled for Tuesday, July 16, 2013.

Per your Honor's law clerk, I am writing to advise the Court that, due to these circumstances, Plaintiffs' counsel will file the report on or before Wednesday, July 17, 2013 and place this letter on the docket today. The Court's consideration is appreciated.

Respectfully,

A handwritten signature in black ink, appearing to read "Robert W. Meek".

Robert W. Meek
Counsel for Plaintiffs
